

# Need Turnouts Now?

We can ship as fast as 24 hours

## Get top-quality turnouts without delay

Whether you're upgrading your PPE, outfitting recruits or adding personnel, LION 24™ delivers new turnouts faster than anyone. We can ship your order as fast as 24 hours.

## Choose from our fully-featured ensembles

LION stocks four value priced, fully-featured turnouts for 24 hour shipping. Each model possesses the same high level of quality and attention to detail that has made LION the world's leading provider of turnouts.

Choose from:

### • JV24™-F

Coat designed with bi-swing back for outstanding forward mobility. Low-rise pants for superior comfort and fit. Freedom® Knee for optimum mobility. Available in gold Fusion®.

### • JV24™-A

Coat has extremely low hem rise when reaching forward or above to provide outstanding protection at critical overlap areas. Low-rise pants deliver superior comfort and fit. Available in tan Advance®.

### • JV24™-N

Rugged, traditional-style coat for maximum wear life. Bellows knee and banded crotch in pants enable free and natural movement, no binding or pulling. Available in yellow Nomex®.

### • JV24™ Aluminized

Coat designed with bi-swing back for outstanding forward mobility. Low-rise pants for superior comfort and fit. Freedom® Knee design for optimum mobility. Self-fabric knee reinforcements with Lite-N-Dri™ padding.

The outer shells on LION 24™ turnouts employ DuPont™ Nomex® IIIA brand fibers for flame resistance, strength and durability.

## Options\*

Coat hardware (you choose the placement)

- Flashlight strap – 1" x 10", two-layer self-fabric strap with Velcro® closure
- Reverse snap – riveted to outer shell with leather backed rivets
- D-ring – inserted to shell with leather backed rivets
- Mic tab – 2" x 5" or 1" x 3", triple-layer tab sewn onto shell

Lettering (all lettering will be on patches)

- Lettering patches – all letters are sewn on the patch. Patch can be applied at the yoke with Velcro® or at the coat hem with Velcro® and snaps.
- Name lettering
- ID lettering

\*Typical shipping for orders with options is five business days.

## JV24™ Aluminized

Based on popular LION Janesville Super-Deluxe™ Coat and Pants designs — Bi-swing back for outstanding forward mobility  
Low-rise pants for superior comfort and fit

### Built with isodri® Protective Systems

- Durable 100% 8.5 oz/yd<sup>2</sup> aramid knit with aluminized exterior surface
- Glide™ 2L AraFlo® E89™ (K9) with Gore RT7100™ moisture barrier for optimum moisture management

### JV24™ Aluminized Coat (32" length)

- Bi-swing back for optimum forward movement
- Freedom® Elbow design for natural flexing motion and optimum mobility
- 3" contoured collar for comfortable interface with SCBA mask
- 5" FR Velcro® storm flap closure with hook and D-ring fastener (Chicago style)
- Semper Dri™ System in water wells and yoke reduces water absorption to keep your working weight low
- Drag Rescue Device with soft weave Kevlar® webbing for comfort
- Self-fabric shoulder and elbow reinforcements
- Polymer-coated aramid cuff reinforcements (gray)
- Pockets
  - 3.5" x 9" x 2" radio pocket on left chest with self-material mic tab over pocket
