14" High Pull-On Design

- CROSSTECH® fabric membrane.
- Cambrelle® lining – 300 gram polyfelt insulation.
- Slip-resistant, breathable micro-fiber technology protective heel strip enhances foot stability and minimizes wear on Cambrelle® fabric lining.
- Lenzi® puncture-resistant midsole.
- Wide fitting toe cap with rubber lip tested to withstand an impact up to 92.2 foot pounds meets NFPA, CSA and ASTM standards.
- Goodyear® storm welt construction provides maximum durability and enables easy repairs.
- Lock-Fit Ankle Support System™ provides anatomical ankle padding that ensures the foot is securely positioned within the boot.
- Removable shock-absorbing foam footbed is anti-odor, anti-fungal and breathable.
- Double ridged ladder shank reduces painful arch compression.
- Vibram® Fire & Ice™ sole offers durability and superior traction at both temperature extremes.
- Large 1" rugged Nomex® webbing boot straps with reinforced stitching ensure easy donning and doffing.
- Thermoplastic heel counter individually molded to every size for custom fit.
- Leather bound, padded collar trim for better all-around fit with no chafing.
- Vibram® nitrile-rubber toe area covering provides full toe area scuff protection.
- Silver 3M™ Scotchlite™ Reflective Material provides added visibility.
