

LION's IsoDri[®] Swatch Kit

We've updated the swatch kit process. Please submit all requests to www.lionprotects.com/swatchkits. You're eligible to receive up to two free swatch kits within a calendar year. Please see additional details below.

FAQ's:

What are the swatch kits used for?

- The swatch kits are used for the IsoDri[®] Moisture Management Demonstration.

What type of swatches are included?

Each kit contains the following swatches plus any additional fabrics the DSM felt necessary to add. You'll see the complete swatch list on a card within your bag.

3 – 6"x6" Glide 2L Araflo (K liner) washed 2X

3 – 6"x6" Caldura SI2i washed 2X

3 – 3"x6" Semper Dri (Chambray 2L (2.3/1.5) washed 2X

3 – 3"x6" Caldura SI2i washed 2X

How long will the swatches last?

- You'll be able to get 6-8 uses out of each fabric. We've supplied you with plenty of swatches, so one kit should last you 6-9 months, if not longer.

Is there a cost for ordering these?

- There is currently no charge for the swatch kit.

How soon will I receive my swatch kit, once I submit the request online?

- You can expect to receive the kits within 2 weeks or sooner.

If you have any additional questions, please contact your DSM.
