1. APPLICABILITY

- a. These General Terms and Conditions of Delivery and Services apply to all offers, services, deliveries and agreements for the sale of uniforms and personal protective equipment (“PPE”) (all the foregoing hereinafter referred to as “Products”) contracted as such with Seller.
- b. These General Terms may only be departed from if Seller expressly states or acknowledges this in writing.
- c. Other general terms and conditions, including but not limited to the terms and conditions of any counterparty (including but not limited to buyers or commissioning parties, that Seller has concluded an agreement with or is in negotiation of concluding any agreement) (all hereinafter to be referred to as “Buyer”), shall, where not in accordance with these General Terms, be explicitly rejected. Such other general terms and conditions shall only apply if and insofar as explicitly confirmed by Seller in a separate document. These terms and conditions supersede any prior or contemporaneous agreement or correspondence between the parties. Acceptance of these General Terms (including all provisions hereto), is a key stipulation of Seller, and forms an integral part of its offer.

2. OFFERS, CONTRACTS & CHANGES

- a. Unless otherwise stated, Prices listed are suggested retail list and do not include individual distributor discounts, which may vary across product lines.
- b. Unless the offer stipulates a period for acceptance, all offers are non-binding. Up to one (1) week after acceptance of a non-binding offer, Seller may withdraw the offer. A non-binding offer remains valid for a maximum period of thirty (30) days, unless explicitly stated otherwise in the offer.
- c. The agreement is contracted as soon as Buyer’s full and unconditional acceptance of the offer has been received by Seller. This acceptance implies that the Buyer consents to the applicability of these General Terms and, insofar as necessary, waives the declaration of applicability of the Buyer’s own general terms and conditions of purchase (or of whatever kind).
- d. Seller is only bound by offers and contracts produced and/or concluded by representatives, commercial agents or intermediaries after a written order confirmation by Seller.
- e. Information and data provided by the Buyer to Seller for the purposes of the agreement contracted, such as drawings, etc., will be assumed by Seller to be correct, and Seller will base its offer on such information. Seller is not responsible, and bears no responsibility, for specifications or designs developed and supplied by Buyer and/or information, drawings, etc. supplied by the Buyer as referred to in the preceding sentence, regardless of whether Seller has advised the Buyer thereon. This applies accordingly to parts and materials that the Buyer makes available or prescribes to Seller.
- f. In reading the measures, sizes, weights, colors and technical data contained in the offers, the Buyer agrees to allow for minor discrepancies which do not exceed the normal limits.
- g. All orders are subject to credit department approval.
- h. Delivery, minimums and surcharges of the Products may apply and will vary according to the product line; all such variations will be stated in proposals, quotes or bid documents.
